Athletes Compete at Polding Level

Congratulations to Liam Karavas, Daley Flood, Henley Flood and Lilly Hunter who competed last Friday at the Polding Athletics carnival in Homebush. All students performed extremely well and should be very proud of their achievements. Henley received a bronze medal for the 200m race and will now compete again in two weeks at the PSSA carnival. This is a fantastic result and a credit to Henley-we look forward to watching your next performance.

VISION STATEMENT

'AD ALTA VIRTUTE' - To the Highest Virtue. St Lawrence's Primary School is Christ-centred. Our school aims to create a safe and caring community, fostering an educational environment that promotes high levels of learning for all.

Fifth National Religious
Education Symposium

Rethinking RE:
Context Diversity and Pedagogy

Gathered in Dubbo NSW, Seminar
Participants will participate in two
days of reflection, interactive
workshops and the opportunity for
informal networking around
importance of Religious Education in
Context.

Some images from the National Religious Education Symposium attended by our staff last week in Dubbo. Staff met in friendship with colleagues from all over the country to learn more around the topic of: Rethinking RE - Context, Diversity and Pedagogy. The days were made up of keynote speakers and breakout workshop sessions. Staff enjoyed their time and the opportunity to connect with like-minded teachers, share ideas and to further their knowledge around Religious Education. We look forward to putting some of our learnings into future planning.

"We acknowledge the traditional owners of this land and pay respects to the elders and deceased members of the Gamilaraay people."

Sacrament of Reconciliation

The Sacrament of Reconciliation will be celebrated in the Parish on Thursday 16th October for students wishing to receive this Sacrament and who are Baptised. An information session will be held tomorrow (Tuesday 17th October) at 3:30pm in the school library. Reconciliation candidates are invited to attend with their parent/carer.

Altar Servers

A meeting was held today with our current Altar Servers and potential future Altar Servers to share some information around Altar Serving and to notify students of some upcoming training. A note was sent home with interested students and needs to be returned by the due date so training and a new roster can be organised. We are looking forward to welcoming some new Altar Servers and thank them and their families for their commitment to service.

School success starts
with attendance

Regular school attendance give students the best opportunity to reach their full potential academically as well as socially. Students are legally required to attend school every day it is open unless there is a genuine need or reason to be absent. All absences must be explained either via the Compass App, a note or phone call within 7 days. Your assistance is appreciated.

Medication At School

All medications, creams, ointments or lotions that students are required to take or administer whilst at school need to be clearly labelled with the students name, dose or instructions and handed into the school office for the safety of all students. Students who require asthma or anaphylaxis medication must have a management plan signed by their doctor and shared with the school. These medications will be kept close to the students at all times for ease of administration should it be necessary.
